

**The Financial Markets - Evolution or Revolution?**  
**ACI2010, 49th World Congress**  
**Sydney Australia**

**25-28 March 2010**

**2010 is your opportunity to visit one of the world's top destinations.**

The Organising Committee is pleased to invite you to attend the ACI2010, 49th World Congress. This Congress promises to be an exciting and innovative forum for delegates with a broad, thought provoking and informative program. The Congress will combine the best of Australian hospitality with an exciting Financial Markets program, a world class trade exhibition and a unique social program to ensure a truly memorable experience.

The stunning city of Sydney, the Asia Pacific's finance capital, will play host to the Congress.

Delegates will experience the best locations, food and wine that the harbour city has to offer making Sydney the ideal place to host this unbeatable experience for financial market professionals.

The Committee has designed a fantastic business and social program for you and the Secretariat will be on hand to assist with all your pre and post Congress touring. For more information on the social program and tours [click here](#) to visit the Congress website.

**REGISTRATION NOW OPEN!**

---

**THE PROGRAM**

Keynote plenary and panel sessions will give delegates access to a world-class line up of speakers on subjects relevant to their specific fields including:

- Market Stability
- Prudential Control
- Liquidity
- New Markets - New Business

During the Congress there will be panel discussions and presentations covering the entire spectrum of Financial Markets topics and factors affecting our Markets today and into the future. The Congress will also offer ample opportunity to discuss key learnings with colleagues from around the globe.

***Increase your business presence in Sydney, the global financial services hub of the Asia Pacific***
