

ACI
THE FINANCIAL
MARKETS
ASSOCIATION

How to Study ACI Dealing Certificate

ACI – The Financial Markets Association is an exam body and exam preparation opportunities are delivered by third parties like training companies, business schools and authors.

Also various **national forex associations** offer their own preparation courses for the ACI exams. Please visit the website of your national forex association and check if they offer a prep course. You may also visit our global website to find national offerings.

The following list shows different companies which may help you with your exam preparation.

The Bahrain Institute of Banking and Finance (BIBF) has played a critical role in Bahrain's long-term success as the region's leading financial center. Since its inception in 1981, BIBF has been committed to providing the highest levels of training, education and professional development programs to the financial services industry in the Kingdom of Bahrain and the region. Its breadth of training, education and professional development programs covers all major business disciplines including Accounting; Banking; Insurance; Islamic Finance; IT; Management and Leadership expertise. BIBF also has a major emphasis in Academic and Executive development. BIBF's original remit was to provide training for the banking community in Bahrain. BIBF has evolved today into an internationally recognized training organization providing professional development to a worldwide market. BIBF has a clear strategy in pursuing strategic alliances, to not only deliver to new markets, but to focus on deepening Bahrain's strength in human capital and supporting the continued growth of its financial services sector. BIBF sees itself as a guardian of professional business training and development, with a commitment to offering new training opportunities for Bahrainis, in an effort to prepare them to take their place in a challenging global career space.

The focus on the classroom style preparation is on answering numerous trial examination questions.

RISKMATRIX

P.O Box 176
3970 AD DRIEBERGEN
The Netherlands
Tel. +31 343 556 801
e-mail info@riskmatrix.eu
Website www.riskmatrix.eu

RISKMATRIX is an independent firm that offers support in treasury and financial management. The principal activities embrace training, publishing and consultancy. The current range of services started in 2003, when Riskmatrix took over the training activities offered for over 30 years by ABN AMRO Treasury Management Consultants. Today the portfolio of courses and workshops has been diversified and the number of lecturers has increased. Practitioners and academicians from banks, corporates, consultancy firms, accounting firms, law firms and universities have greatly strengthened the teaching staff. Riskmatrix is located in the historic De Horst Estate in Driebergen, which is in the heart of the Netherlands. Riskmatrix and partners like De Baak Management Centre VNO – NCW are working together to further develop this estate into a true international centre of excellence.

• **Classroom style**

Language	: English, Dutch and French
Duration in days	: 4 (Other courses on treasury and finance 2-7 days)
Usual locations	: Most open courses and other activities are held in excellent training venues in the Netherlands and Belgium. The firm also is offering in-house training.

Markets International Ltd is an independent company which provides both public and in-house training on financial markets and mathematics, risk management and other financial subjects. We specialise in the ACI exams - Dealing Certificate, Diploma and Operations Certificate - which we teach with a very high success rate both in London and on behalf of national ACI associations across a wide range of countries. All courses are 'workshop' in style, with numbers generally limited to a maximum of 12, and delegates work through extensive examples and practice exams. Our ACI Dealing Certificate and Diploma courses include a revision day, to ensure thorough preparation for the exams. We provide a free help line: candidates can contact us at any time until they take the exam, to discuss any problems.
